May 2025

The Del Norte County Fairgrounds Recreation and Park District is seeking an experienced grant researcher and writer.

The work will be based on a new 5-year Capital Improvement Plan (2024-2029) created by the 41st DAA and the Park District this spring that identifies key infrastructure priorities needed to maintain and improve the Fairgrounds.

All infrastructure improvements will benefit the county as a whole. In addition to the annual Fair, the buildings and outdoor arenas are also used by multiple community organizations that sponsor and hold enrichment programs and special events that are open to all.

The grant writer will also look for current federal, state, and private foundation opportunities to support local emergency services that provide community food preparation, housing for displaced residents and animal welfare services at the Fairgrounds during local disasters. The Del Norte County Fairgrounds is a central and safe gathering space for all county residents and first responders in the case of local emergencies.

Please submit your resume, statement of interest and qualifications to the DNCFRPD addressed to Doug Wakefield, President, and submit by mail to P.O. Box 402, Crescent City, CA 95531 or by email to plvernelson@gmail.com.
